Where the application meets more than one of the above stress rates, the higher stress rate will apply. The underlying affordability of the background portfolio for an application will be considered against a minimum underlying ICR rate of 125% @ 5.00%.

If any applicant on an application is a high rate taxpayer, the higher rate margin applies.

All mortgage applications are subject to regional risk limits. Please note the administration fee is non-refundable. For HMO properties with 10+ rooms a quote will be required. Please contact us for more information.

Please be aware that all applications must **reach offer within 50 days** from full submission. If an offer is not made by this time, a new product will need to be selected, which could affect the loan size, rate and criteria. All mortgage offers are **valid for 90 days**.

## Valuation fees

All applications that require a valuation, are subject to a £199 non-refundable administration fee.
